Democracy vs. Dictatorship

Out of the welter of financial and economic difficulties and problems from troubling a confused world—and which are directly or indirectly the cuttoms and atternath of the Grest War.—there has emerged one great question which now begins to overshadow all others, because all others are bound up in it. That question may be summed up in the words: Has Democracy failed? Are democratic forms of government incapable of successfully dealing with conditions as they now exist in most countries and in the Great War. we were told, was a war to end war; a war to incredit the contraction of the contraction o

ALBERTA'S OPPORTUNITY

British Bacon Market For the first time in history the World's Greatest Bacon Market has granted a definite quota to Canadian Bacon Producers, under Controlled Imports to Assure a Strady Market. Canada's quota is 220,000,000 lb, annually.

The Key to This Market is Quality Alberta was second in 1932 among all provinces in total hog marketings, but only eight hogs in every 100 marketed were suitable for the British trade.

Not More Hogs, but Better Hogs

What is needed is not greater numbers, but a greater proportio Select Bacon Type required by the British Market.

Pedicies to Encourage Production of High Quality Bacon Hogs Suitable for Overseas, have been adopted by the Alberta Department of Agriculture in cooperation with the Federal Government, Ruitways and Packers. These include hoar bounsing and exchange of off type sows by the farmers for selected giths from the packing plants.
